Attach maximum 4 x 6 photo of exterior of building that best describes the building.

If possible, attach another maximum 4 x 6 photo of exterior that helps describe the building. Try to have both photos show all the sides.

The roof framing system is a special construction feature of many barns. If possible, provide an interior picture that shows the framing system.

If there is a special design feature or item of equipment, attach a picture that shows that.

The Kansas Barn Alliance is seeking to locate all significant rural historic resources, especially barns, in the state of Kansas. We are asking for the help of owners and local residents in this project.

Complete a memo form for each significant building at a location.

To record more data than this form accepts use the Kansas Historic Resources Inventory Reconnaissance Form.

FORM GUIDELINES

RESOURCE ADDRESS:

Many county roads are marked with 911 road names and numbers, use them for the address if they are available. If 911 road names are not available or unknown, complete the U.S. Land Survey legal description below:

_____ ¼, Section _____ Township _____ Range _____

If you have a GPS instrument, record the position below:

Latitude _____ Longitude _____

OWNER:

Provide contact information about the Owner. If not living in Kansas, be sure and enter the "State"

RESIDENT:

Provide contact information if the "Resident" is different than the "Owner".

SUBMITTED BY:

Provide "Organization" information if part of a group effort.

PHOTOGRAPHS:

Photographs are very helpful but are not required. If you don't have a photo, describe or sketch the barn or feature in the space for the photo.
